

## Infrastructure

### About Infrastructure

- The Institution offers excellent infrastructural facilities for a conducive learning environment. The self-owned building, with a total built-up area of 26000 sq/ft. houses the Principal's, Vice-Principal's, Administrative office, and well-furnished, well-ventilated, state-of-the-art classrooms equipped with technological aid such as ICT facilities, , LCD projectors, smart boards, sound systems.
- The Institution has a well-stocked **Library** with 40243 books, 6 journals, 20 magazines, and 11 newspapers providing photocopying services. The library supports the mission of the college and is committed to providing information leading towards excellence in education, computer, and It is also committed to helping students gather multifaceted knowledge and thereby overall and holistic personality development. The Reference Section of the library has valuable Encyclopaedias, Handbooks, Dictionaries, etc. The library is enriched every year by adding new books. The library has also subscribed to various E-resources through INFLIBNET.
- The **ICT Laboratory** is well-furnished and is equipped with 35 desktops with internet access and provides printing and scanning facilities. Overall the ICT department maintains a healthy Student computer ratio of 14: 1 in the institution. The Institution regularly upgrades its ICT infrastructures (physical/virtual assets). Decisions regarding the purchase/maintenance/ upgrading/use of facilities are made following institutional policy. All of the computers and printers are connected through LAN.
- The **Geography laboratory** accommodate 16 students at a time and is equipped with Aerial Photographs(6 pairs), Sets of plain table survey (3), Sets of prismatic compass (2), Wall paper models (10), Globes(3), Binoculars(4), Wet-Dry bulb(1), Aneroid Barometers(1), Computer set (1), Rain Guage(1), Anemometer(1), Wind vane (1) Mirror Stereoscope (1), Pocket Stereoscope (4), Weather maps (60) Toposheets(160), Geography 3D models (10), a LCD projector, maps (40), Landform models(28), Oxford Atlas and all other required equipment.
- **Physical Education and Sports:** The Institution has appointed a full-time College Director of Physical Education to look after the Sports Department. The institution has adequate sports infrastructure consisting of a sports room, a separate **playground** and made available the best sports equipment for its students.
- The institution has implemented the **National Service Scheme (NSS)** right from its first year of It has 2 fully functional units. Working dedicatedly to serve society, and in the process shaping the lives of the volunteers through social service. The units are led by trained, experienced, and motivated NSS Program Officers who have undergone the Programme Officers Orientation Course at the NSS- Empanelled Training Institute. The NSS Unit, with a well-stocked inventory of tools and equipment, is self-sufficient to successfully conduct Annual Special Camps with up to 50 volunteer capacity and other social activities. The institution has made available, the best camping and working equipment that has made our volunteers participate in community service activities.
- Fully furnished **faculty room** having 6 independent cubicles for each faculty with locker facilities, high-speed WIFI, LAN connectivity, Public Address System, Printing facility, and charging ports with attached

  
**PRINCIPAL**  
Karmaveer Hire Arts, Science,  
Commerce & Education College  
Muralidharnagar, Gargoti, Dist. Kolhapur.

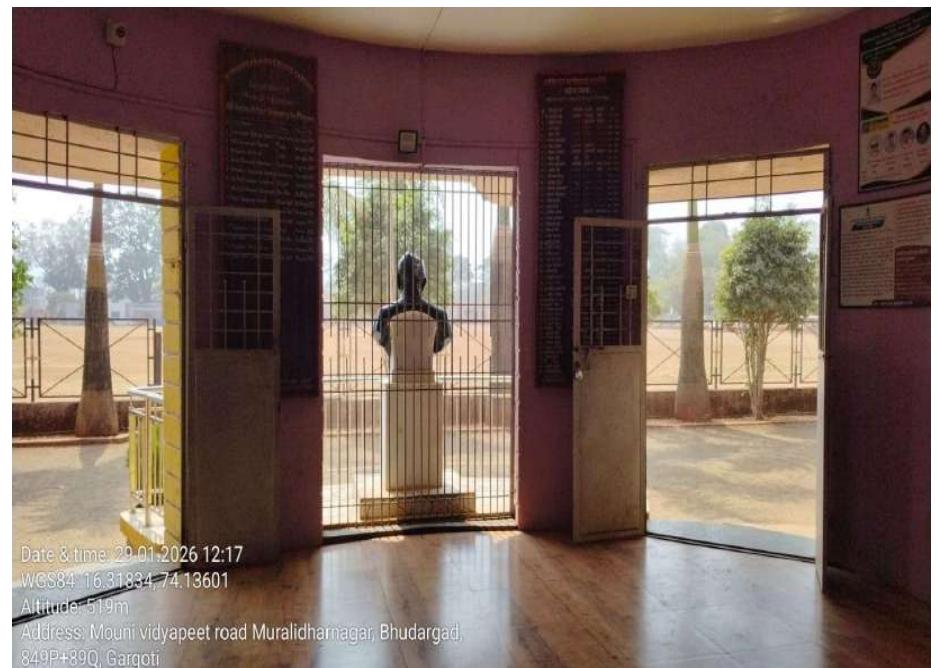

- A **Counselling Centre** is allotted for counselling sessions and a full-time counsellor appointed by the college. The counsellor is available to the students on all days of the week for counselling individual students at the psycho-social level. The counselling sessions are proven to help students tackle family/relationship issues at a personal level. If required the students meet the counsellor for follow-up sessions. At the commencement of the academic year, the counsellor conducts an interactive orientation session in each class where:
  - They introduce themselves and brief the students about their role
  - Clarify the myths about mental health
  - Explain what is done in a counselling session
  - Queries regarding confidentiality are also addressed
  - The approach used in counselling by the counsellor
  - What situations can be dealt with in counselling sessions?
  - How they can approach the counsellor.
- The College has a separate **examination room**. It is provisioned with essential facilities such as Personal Computers, a printing facility, cupboards, a photocopying facility, high-speed Wi-Fi and LAN connectivity, and a Public Address System.
- 1 Independent Ladies and 1 Gents' **washrooms** each, serves the need of students and visitors.
- The **medical room** is well equipped with Wheelchairs, first aid boxes, a first aid manual, beds, chairs, and tables. Also, emergency sign boards, emergency contact numbers.
- The college is providing a **canteen facility** to the students as well as teaching and non-teaching staff of the college. It is capable of catering to the demands of the students and other stakeholders on the campus. It has a spacious & properly maintained dining room and a kitchen. The College canteen also caters to the functions organized in the college programs like seminars, conferences, and workshops. The kitchen staff takes care to provide the students and staff with nutritious, hygienic, and freshly cooked food. A variety of hygienic food and snack items.
- **Potable Water** is made available to students through an RO system for water purification.
- **Independent Common Rooms** are assigned for girls and are equipped with the necessary facilities for the students.
- **Hostel Facility:** The institution has made available a hostel facility.
- **YCMOU Study Centre** serves as an additional educational resource, providing support, and guidance to students by offering various courses
